## **Construction underway on ND Highway 23 west of Makoti to Ryder**

A construction project is underway three miles west of Makoti from the Ward/Mountrail County Line to the Jct. of ND 23 & 28 near Ryder. The project is approximately 9 miles long and will consist of pavement work, widening of the shoulders, adding passing and truck stopping lanes and culvert work. Motorists should expect delays especially during the daylight hours and may want to consider taking an alternate route.

### **During construction:**

- Work zone will be controlled by flaggers and pilot cars
- A 15 ft. width restriction will be in place
- Motorists should expect delays
- Speeds will be reduced to 45 mph or less through the work zone
- Oil and gravel will be present on the roadway

This project is expected to be complete at the end of October.
